By signing this form I am requesting aid for the July 2019 semester. I am aware that I alone am responsible for all tuition and fee charges assessed to my student account as a result of my enrollment. I realize that changing my enrollment may result in a change or loss of my federal aid eligibility. I am aware that this award may impact my remaining eligibility for the 2019-2020 year. I understand that my financial aid may be adjusted if changes in my student status occur (such as a change in enrollment).
