CCC Program Outcomes – Updated 6/14/2015

Communications/English Division (Reading)

Upon successful completion of the general education requirements and the suggested program requirements for an Associate Degree the student shall:

1. Use a content-based approach to build vocabulary skills.
2. Identify main idea and supporting details.
3. Use critical reading skills to understand inferences of a reading passage.
4. Construct a responsive writing that summarizes a selection's content.
5. Demonstrate sound comprehension to evaluate a reading passage.
